

MISSISSIPPI STATE DEPARTMENT OF HEALTH

April 13, 2016

Chrissy MacMillan
Laboratory Director
National Testing Laboratories, Ltd.
556 South Mansfield St
Ypsilanti, MI 48197

Dear Ms. MacMillan,

This is to acknowledge receipt of the required materials relevant to the certification of National Testing Laboratories, Ltd by the State of Michigan accrediting authority. Certification by reciprocity under the Safe Drinking Water Act is being granted to National Testing Laboratories, Ltd. by the State of Mississippi for the drinking water microbiological parameters as granted by the State of Michigan from October 16, 2015 and expiring November 6, 2018.

Please have the Michigan Certifying Authority send the most recent certification audit report to my attention as soon as possible.

Notification must be made to this office in writing within 30 days of any changes in the laboratory's State of Michigan certification status.

Please notify the Mississippi Bureau of Public Water Supply, 601-576-7518, immediately upon the occurrence of any compliance sample which exceeds the MCL. Compliance sample results are reportable to the MS Bureau of Public Water Supply as soon as testing is completed.

Sincerely,

Phyllis Givens
